

# **A stroke happens to one person...**

---

but affects the whole family.

**Swipe to know more**

# Caregivers suddenly take on new roles

---

Swipe to know more

# Routine changes:

---

Appointments, medications, schedules

Swipe to know more

# Emotional impact:

---

Worry, fear, uncertainty — daily

Swipe to know more

# Financial strain:

---

Time off work, medical costs

Swipe to know more

# Family dynamics shift:

---

Everyone adjusts to a “new normal.”
