

Please don't compare stroke recoveries

Swipe to know more

No two strokes are the same

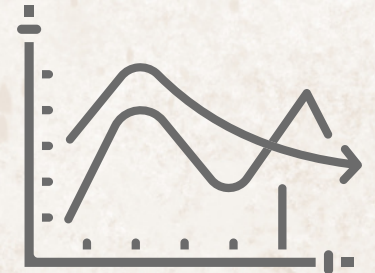

Swipe to know more

Different areas of the brain.

Different severity.

Different timelines.

Swipe to know more

Comparing progress

pressure, not motivation

Swipe to know more

**It can make survivors
feel like they're 'behind'**

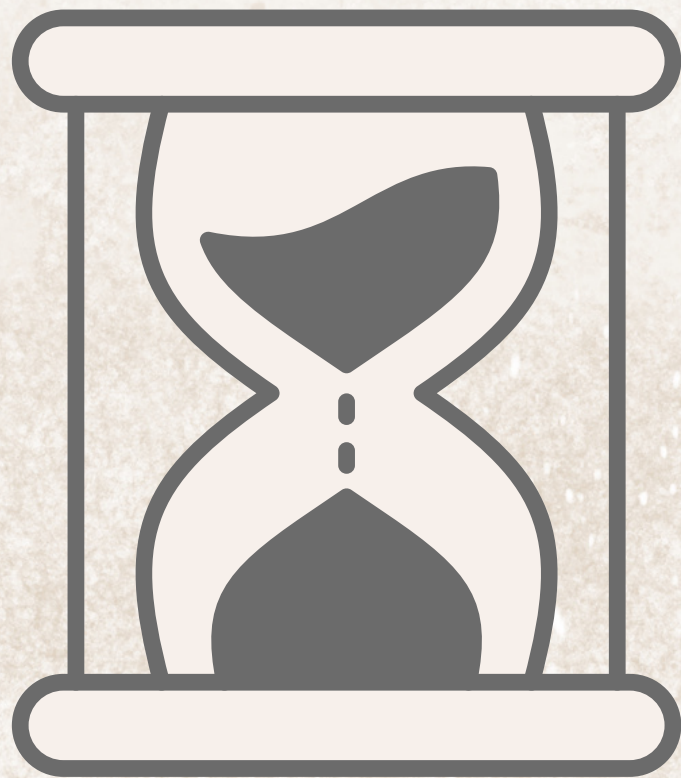

Swipe to know more

**And caregivers feel like
they're 'not doing
enough'**

Swipe to know more

Healing is not a race

Swipe to know more

Every brain heals at its own pace

Every win matters.

Swipe to know more

Celebrate progress

Don't compare it.
